Passionate and detail-oriented Web Developer. I am building dynamic and responsive web applications. Proficient in modern web technologies including Next.js, React, Node.js, and Tailwind CSS. Adept at collaborating with cross-functional teams to deliver high-quality projects on time.

- ◆ Expertise in JavaScript, HTML, CSS, and related frameworks.
- ◆ Experienced with RESTful APIs, database management, and version control systems like Git.
- ◆ Strong problem-solving skills and a keen eye for design and user experience.
- ◆ Proven track record of developing scalable and efficient web solutions.

Looking for new opportunities to leverage my skills and contribute to innovative projects. Let's connect!
